

Find an escape

Team Building Exercise # 8

Objective: Collaboration

Steps :

- The goal of this exercise is to escape a locked room within the time allotted by solving the clues given to find the key.
- Hide the key and a list of clues around the room previously.
- Then gather the team into the empty room and "lock" the door
- This will require everyone to collaborate on strategy and brainstorm ideas on what the clues might mean.
- The fastest team to find the key wins.
